## 2018 Vintage Tasting Notes

### Elton Vineyard Chardonnay

Pale yellow color, with aromas of lemon creme and subtle hints of citrus blossom, stone fruits and vanilla. The initial impression is generous, round, and supple. The palate is concentrated yet refreshingly balanced, with tangy citrus and ripe stone fruits carried by a deft phenolic touch and minerality that provides interest. This is an elegant yet assertive example of Elton Chardonnay with mouth-watering persistence and exceptional length. This Chardonnay has the potential to be long-lived.
