2018 Vintage Tasting Notes

Temperance Hill Vineyard Pinot Noir

Attractive dark crimson color, almost saturated to the edge. Complex aromas of dark wild berry fruit, lavender, and dusty earth and wild herbs on a warm day. Impactful entry with volume and weight, though not at all heavy. The concentrated and still dense medley of black, red, and dried blue berry flavors are intermingled with notes of earth and stones. Refined tannins are well-integrated, and the acidity provides super length. Chewy and ripe, with a very promising future.

Harvested: October 2, 2018

Brix: 23 degrees

Fermentations: Spontaneous, with no inoculations

Oak: Mixed cooperage, with 35% new

Bottled: March 10, 2020
