POINTS

This is toned between red and blue fruit with cherry and blueberry, as well as a red-plum edge. Very pure, ripe and vivid nose. The palate has impressive depth and build with ripe dark-cherry and plum flavors driving a long, composed statement of quality pinot noir. This is impressive. Drink or hold. –*Nick Stock*

Very pure and bright pear and white peach aromas here with some sliced melon, as well as subtle pastry and very lightly toasted grains. The palate holds a succulent and powerful line of flavor with attractive pear and freshly baked pastry flavors. Drink or hold. –*Nick Stock*
